Assessment and Accreditation of Prior Learning systems are now widely used in colleges to open up access for potential students by harnessing their prior learning, knowledge and skills. But one major issue, language and literacy, has not yet been adequately addressed, and our education system still presents many barriers for non-native speakers of English. This book focuses on practical and pro-active ways of approaching these problems using case studies and examples throughout. The various chapters cover: \* Ways of resourcing and implementing APL systems \* The implications this has for staff development \* Methods for assessing prior linguistic ability and accrediting qualifications gained overseas \* The role of the guidance advocate worker \* The TDLB APL assessor and advisors award \* Recent developments within Europe and how these affect National Vocational Qualifications and the current APL systems

Offers advice about taking multiple choice and essay CLEP examinations; describes each subject on the test, including English, foreign languages, and history; and aids in the interpretation of scores.
