Rates consumer products from stereos to food processors

Don't Lose Your Saltiness!"You are the salt of the earth; but if the salt loses its flavor, how shall it be seasoned? It is then good for nothing but to be thrown out and trampled underfoot by men." -- Matthew 5:13 NKJV What can you do or change to stay salty? Seasonin' Salt is a perceptive work designed to identify the elements in the life of the believer that may have an effect on its saltiness. This book contains one hundred short scripturally based lessons-called "seasonin'"-on subjects such as thinking, growing, words, fruit, faith, time, giving, and vision that are designed to enhance one's saltiness and increase one's fruitfulness. Absorb the material and gain an awareness of what it means to be the salt of the earth. Learn which elements are necessary to maintain that status. Includes Scriptures for further study and affirmations for self-empowerment. We cannot make the world thirsty for the Word of God if we are not salty. Over the next one hundred days, let Dr. Peterson help you maintain your flavor and savor with Seasonin' Salt.

" Church is boring. " " It ' s irrelevant. " " It ' s full of hypocrites. " You ' ve heard the excuses —now learn the real reasons men and boys are fleeing churches of every kind, all over the world. Christianity is the only world religion with a chronic shortage of men. David Murrow identifies the barriers to male participation, and explains why it ' s so hard to motivate the men who do go to church. Then, he takes you inside several fast-growing congregations that are winning the hearts of men and boys. The first release of Why Men Hate Going to Church sold more than 125,000 copies and was published in multiple languages. This edition is completely revised, reorganized, and rewritten, with more than 70 percent new content. Why Men Hate Going to Church does not call men back to church—it calls the church back to men. " This is one of the most helpful books for understanding why men are indifferent toward church and how churches must change to welcome men. " —MARK DRISCOLL, pastor of Mars Hill Church; cofounder of Acts 29 Church Planting; founder of The Resurgence " [This] is a prophetic and relevant ' snap-out-of-it ' masterwork that every pastor must read—not just for the sake of the kingdom, but also for his own sake and sanity in ministry. " —KENNY LUCK, men ' s pastor, Saddleback Church " David Murrow knows how to connect with men. Where was this guy when I was twenty? " —FRANK PASTORE, host of America ' s largest Christian talk show, KKLA (Los Angeles) GROUP DISCUSSION GUIDE AVAILABLE FOR FREE AT WWW.CHURCHFORMEN.COM/GUIDES

Encompassing all facets of the woodworking craft, this detailed handbook ranges from a history of woodworking, to a discussion of the principles of design, to instruction in tools, materials, and techniques.
